*****NOW RESERVED***** A wonderful example of a 120-year-old detached Spanish property in the small hamlet of Los Algibes, just 2km from La Pinilla, with 4 double bedrooms and 2 bathrooms and a generous build size of 277 square metres and sitting on a plot of 1,150 square metres. The property has many features including two log burners, air-conditioning, private swimming pool, entertainment room and garage to name a few. Furnishings are negotiable.

Full of charm and character, this property is a must see! Once inside you can immediately see how charming this property really is, with its high ceilings, traditionally thick walls and many orig...

nal features throughout the property. The lounge has a log burner, air-conditioning and ceiling fans. Through the lounge is a lovely dining area and this leads on to the spacious, fully equipped kitchen with gas hob, oven and wooden units. Being sold with all white goods.

A small hallway has doors either end which leads to a walled courtyard and a large entertainment room with a fully equipped kitchen. This room could easily and cheaply be converted into a self-contained annex. Off the main hallway is 4 double bedrooms and 2 family bathrooms. One bathroom has a shower, hand basin, cupboards and W/C, the other fully tiled bathroom has a bath, enclosed shower unit, hand basin and W/C. The hallway has another log burner and dual air-conditioning. There is another lounge area facing the swimming pool and garden at the end of the hallway with numerous sliding doors and affording lovely views to the mountains.

Outside, you will find a workshop or tool shed which is off the entertainment room and accessed from the garden. The courtyard is gravelled and there is a storage facility for logs and other things. You can also access outside the property via a metal gate. The large 8 x 5 swimming pool is to the rear of the property and totally private. There is plenty of terrace space around the pool for those sun loungers and BBQ's. The garden has many aspects to it, with many different places to sit, relax and enjoy the peace and wonderful views. There are many different plants, trees and shrubs throughout the garden.

The garage is to the side of the property and is over 22 sqm. You can park right outside the property as well. The property has fly and door screens throughout and is fully fenced. This really is a fantastic home in a tiny hamlet of just 3 other properties. It offers a wonderful family home with total privacy and tranquillity but close enough to the beaches, sea and the larger towns of Fuente Alamo, Cartagena, Mazarron and Puerto de Mazarron.

The nearest villages of Cuevas de Reylo or La Pinilla are just 2kms away with a few amenities, small supermarket, baker, fishmonger etc… plus a few bars and a social club. Located just 8km away is the much larger town of Fuente Alamo where you will find all necessary amenities including the magnificent Hacienda del Alamo golf course. The beaches of Cartagena are just 25 minutes' drive and Puerto de Mazarron 35 minutes. The new international airport of Corvera is just 20 minutes away.
